# Lodge Of Repose No. 802

The Lodge of Repose was originally consecrated as a past masters lodge but soon began to initiate candidates.

The lodge has several members who have medical and healthcare affiliations, as well as members from other professions and walks of life.

The Lodge of Repose has always been a very active lodge with a busy formal programme, and social activities involving family and friends.

We frequently go out together after LOI's, practice sessions and committee meetings sometimes with our partners to enjoy local and international cuisine.

We encourage visitors from other lodges to come and join us at our lodge evenings.

We are a very friendly and active lodge with many experienced members who are always on hand to help and guide newcomers on their masonic journey.
